

# Chain of Custody Policy

At **PRODESA Group**, we are committed to ensuring traceability, transparency, and accountability throughout our supply chain. Proper management of the chain of custody ensures that the materials and products we handle come from legal and responsible sources and that their integrity is maintained throughout the entire process.

We are committed to:

**1**

## Full traceability

Ensure that materials and products are tracked from their point of origin to their final destination.

**2**

## Legal and Regulatory Compliance

Ensure that all suppliers and processes comply with applicable laws, regulations, and standards.

**3**

## Supplier Selection

To work exclusively with suppliers who share our ethical, environmental, and social commitments.

**4**

## Integrity of materials

Maintain the quality, authenticity, and condition of the materials throughout the entire chain of custody.

**5**

## Training and awareness

Train staff on chain-of-custody procedures, responsibilities, and best practices.

**6**

## Continuous improvement

Review and optimize processes to increase transparency, efficiency, and security in the supply chain.

With this policy, the **PRODESA Group** reaffirms its commitment to the responsible management of its resources, ensuring trust, compliance, and sustainability throughout its supply chain.
