

Product Safety Policy

At **PRODESA Group**, we are committed to ensuring that all our products and services meet the highest safety standards, protecting the integrity of those who use them and minimizing any associated risks. Product safety is a fundamental pillar of our reputation, quality, and corporate responsibility.

We are committed to:

1

Regulatory compliance

Ensuring that all products and services comply with applicable laws, regulations, and standards related to safety.

2

Safe design

Incorporating safety criteria from the design and development stages, anticipating and minimizing potential risks.

3

Quality control

Carrying out reviews, tests, and audits to ensure that products are safe and reliable before their commercialization.

4

Risk management

Identifying, assessing, and controlling risks associated with our products throughout their entire life cycle.

5

Training and awareness

Training our staff on the importance of product safety and on good prevention practices.

6

Continuous improvement

Analyzing incidents, feedback, and suggestions to implement continuous improvements in the safety and reliability of our products.

With this policy, **PRODESA Group** reaffirms its commitment to protecting its customers, users, and stakeholders, ensuring safe, reliable, and high-quality products.
